

HOTEL VICTORY

The 4-star HOTEL VICTORY is found in an exceptionally accessible and attractive location in Popůvky in close proximity to the City of Brno. The hotel can be reached quickly and easily by taking its own motorway exit in the direction of Brno to Prague or an exit from either direction on road No. 602.

The 4-star Hotel Victory offers accommodation in 47 comfortably furnished rooms, of which 39 are superior rooms and 8 are suites.

All comfortable and modern air-conditioned rooms are furnished with a large-screen satellite TV, minibar, safe, kettle and an exceptionally comfortable DOUBLE bed or TWIN beds. Bathrooms offer shower cubicles or baths equipped with a hairdryer, vanity mirror and cosmetics from the exclusive "Four Elements" brand.

Our customers can make full use of the unique Signature Restaurant, whose philosophy is to use only fresh ingredients when cooking specialities and dishes for hotel guests and others.

The 4-star Hotel Victory now offers fully technically equipped conference rooms with a maximum capacity of 60 persons in the theatre style layout.

A great advantage of the hotel is its particularly extensive free parking space, whether underground or outdoors.

A further likely point of interest and advantage will be a single charging station for electric cars, which will be found in the car park outside the hotel's main entrance.

An additional part of the complex is the Casino Victory, which offers its services 24 hours a day.

Interesting fact: the extensive land belonging to the hotel provides an ideal opportunity for organising outdoor events.
